

# INDEX.

---

**ABDOMEN**, Abstracts in surgery of, 76, 264, 418, 506; gunshot wounds of, 420, 422, 507.

**Abdominal aneurism**, 419; delivery, choice of methods in, 517; tumors, exploratory incisions in, 418; Spencer Wells on, Review, 274; walls, excision of half, with peritoneum, 76; section, fifty cases of, 171; sanguineous cyst, 507.

**Abscess of the liver**, 77; paranephritic, 338; urinary, 85.

**Abscesses**, cold, treated by injections of ethereal solutions of iodoform, 493.

**Air embolism**, 22, 129, 198.

**Allen's anatomy**, Review, 356.

**Alveolar border of inferior maxilla**, Resection of, for neuralgia, 260.

**Amputation for senile gangrene**, 331.

**Amputations at Erlangen**, 257; Watson on, Review, 275.

**Anæsthetic effects of cocaine**, Prolongation of, 409.

**Anæsthetics in 1884**, Deaths from, 409.

**Anatomy**, Allen's, Review, 356; of the kidneys, surgical, 286.

**Aneurism**, abdominal, 419; inguinal, 429; on the head, 415; of axillary artery, Traumatic, 344; of subscapular artery, Traumatic, 428; Predisposing causes of, 499.

**Aneurismal tumor of temporal region**, 251.

**Ankle-joint**, Excision of, 166.

**Ankylosis of hip-joints**, 168, 169, 170; Resection of maxillary joint for bony, 415.

**Antiseptic dressing**, Corrosive sublimate, 148; incision into the knee-joint, 159; method, Modifications of, 87; precautions in surgical joint affections, 61.

**Antiseptics**, Contact and air-infection, 409.

**Arterial air embolism**, 134.

**Arteries in excision of tongue**, Ligature of lingual, 359; Insufflation of air in, 28;

in reduction of dislocations, Injuries of axillary, 369.

**Artery**, axillary, Traumatic aneurism of, 344; ligature of axillary, 412; brachial, in dislocation of elbow, Rupture of, 160; external iliac, Ligature of, 429; popliteal, Obstruction of, 422; subclavian, Ligature of, 344; subscapular, Traumatic aneurism of, 428; vertebral, Ligature of, 89.

**Ascites**, Chylous, 418.

**Astragaloid osteotomy in flat foot**, 279.

**Astragalus**, Excision of, 167.

**Atropia as a remedy in ether narcosis**, 259.

**Axillary artery**, Traumatic aneurism of, 344; artery, Ligature of, 412; blood-vessels, Rupture in shoulder dislocations, 369.

**BALL, C. B.**, Abstract, 81.

**Bellevue Hospital**, Comparative results of operations in, 500.

**Bismuth in the treatment of acute epididymitis**, 510.

**Bladder**, Paralysis of from carbolyzed dressings, 85; Resection of, Partial, 426, 510; tumors, Removal, 83; Rupture of, 511.

**Blood**, Temperature of, attending simple fractures, 158.

**Bones**, Abstracts in surgery of, 157, 344, 430, 513.

**Bones**, Wiring, 501; operation on small tubular, for osteomyelitis, 513.

**Bone**, Experiments upon engrafted, 430.

**Bone-setting**, Review of Cotterell on, 523.

**Brain**, Compression of, 3; Drainage in wounds of, 15; Field and limitation of operative surgery of, 1. 110, 214; vessels and membranes of, Treatment of injuries of, 21. Tolerance to incision of, 19.

**Branchial cysts**, 428.
